# A Typical Day At K S U

## Dedication

Friendly, Fair and Firm are the adjectives which best describe the person to whom this edition of the Thorobred is dedicated, President W.A. Butts.

Since he assumed the position as the 8th President of Kentucky State University, Dr. Butts has worked tirelessly to insure that the University be recognized as an integral part of the state system of higher education as well as a University which is responsive to the needs of the constituents it serves. He has been successful in his efforts because of the three previously stated qualities: Friendliness, Fairness and Firmness.

President Butts is very visible on and off the campus, always taking time to stop and talk and listen to students, faculty, staff and anyone else desiring his attention. In fact, he conducts a weekly open dialogue period during which anyone can come in to "rap" . . . Friendly he is.

Dr. Butts is very fair in dealing with all situations. He listens to both sides and makes a decision, devoid of personal biases, which is in the best interest of the whole and is in keeping with established standards and policies.

But, this Taurean is very firm when it comes to dealing with situations which adversely affect the image and high standards of the University. "The integrity of XSU will be maintained at all costs," he told the University family during a recent assembly and all who know him, believe him.

It is for the above reasons and many, many more that we, the staff of the Thorobred, salute you, Dr. Butts.

A black and white photograph of a schoolyard. A large, leafy tree dominates the center-left of the frame. In the background, three students are visible: one is swinging on a swing set, and two others are standing nearby. In the foreground, the rear ends of several cars are parked, including a light-colored sedan and a darker car. The overall scene is a typical schoolyard during a break.

# In Memorial

## Donald Botts

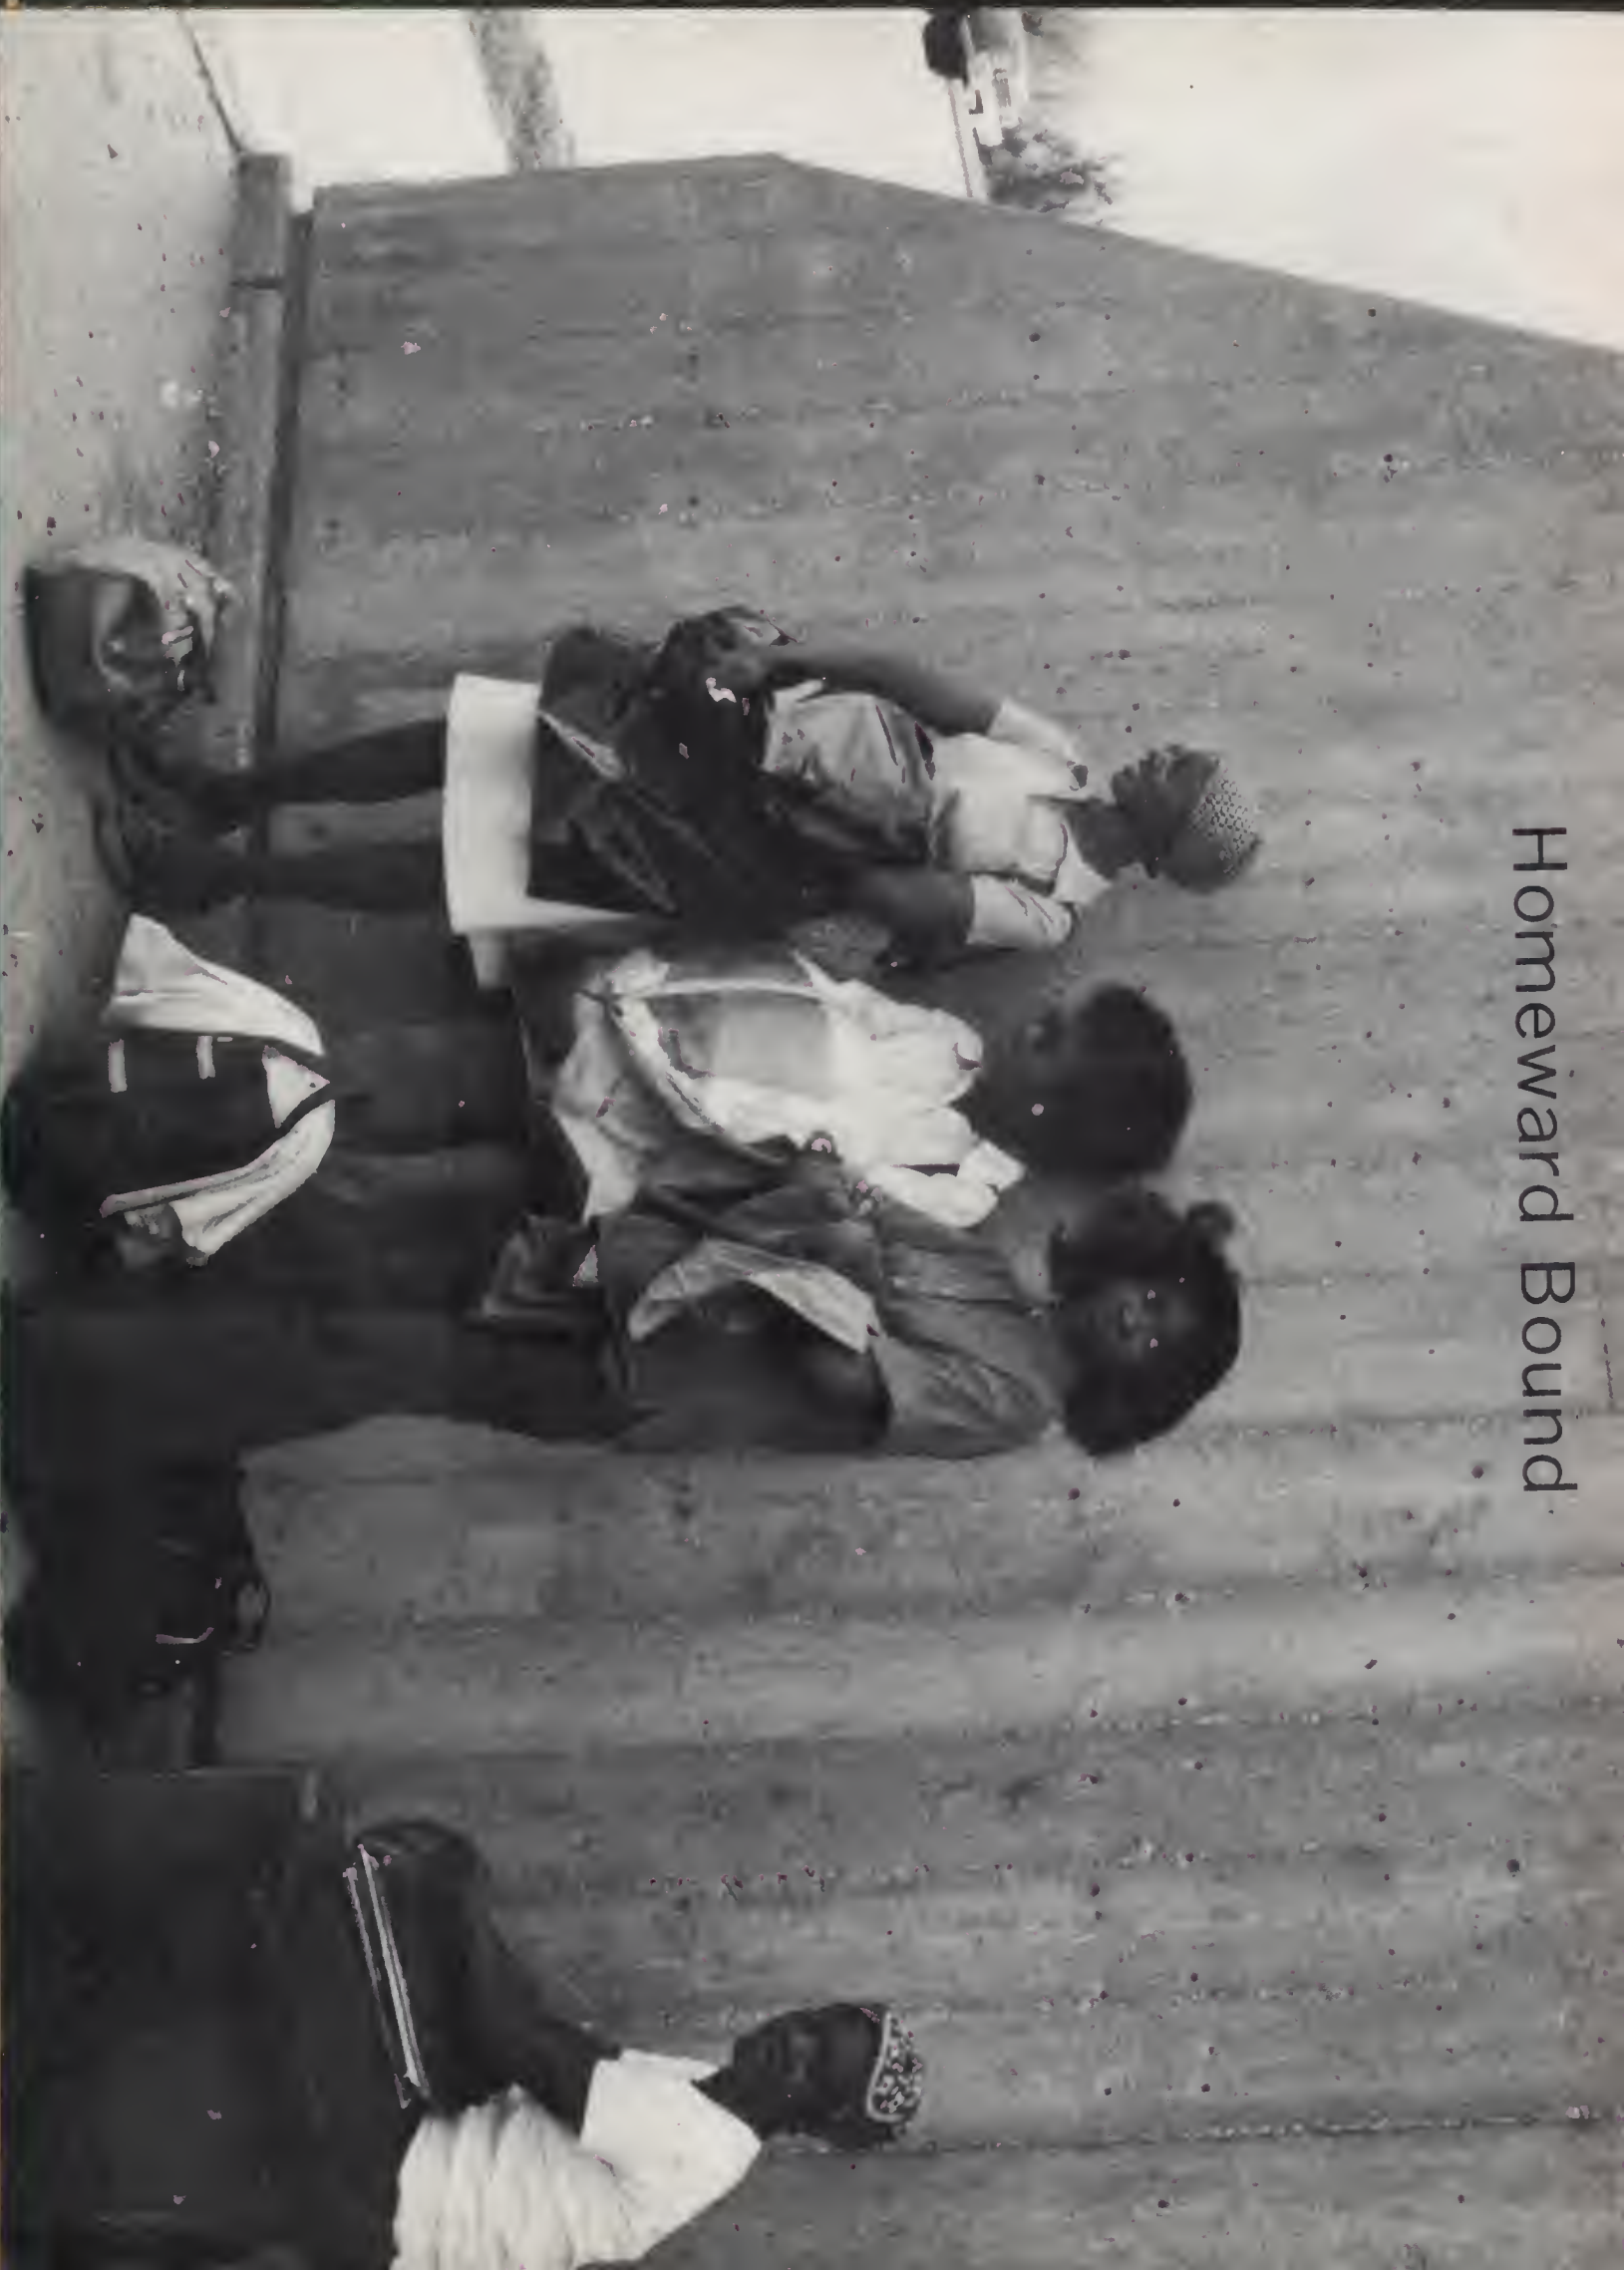

Donald Wayne Botts known by all as "Moon" was born to the union of Mary and John Botts on January 5, 1954 in Lexington, Kentucky. As a sincere and dedicated Thorobred Donald became affiliated with the Student Government Association, serving in several capacities, the Student Center Board, Election Committee, Track Team, Big Brothers/Big Sisters Program. As a sophomore, Donald saw the light of Kappa Alpha Psi Fraternity Inc. His employment included a term as Student Manager of the cafeteria.

Though he seems gone, those of us who love him will not speak of him in the past tense for he lives in a better place — our hearts.

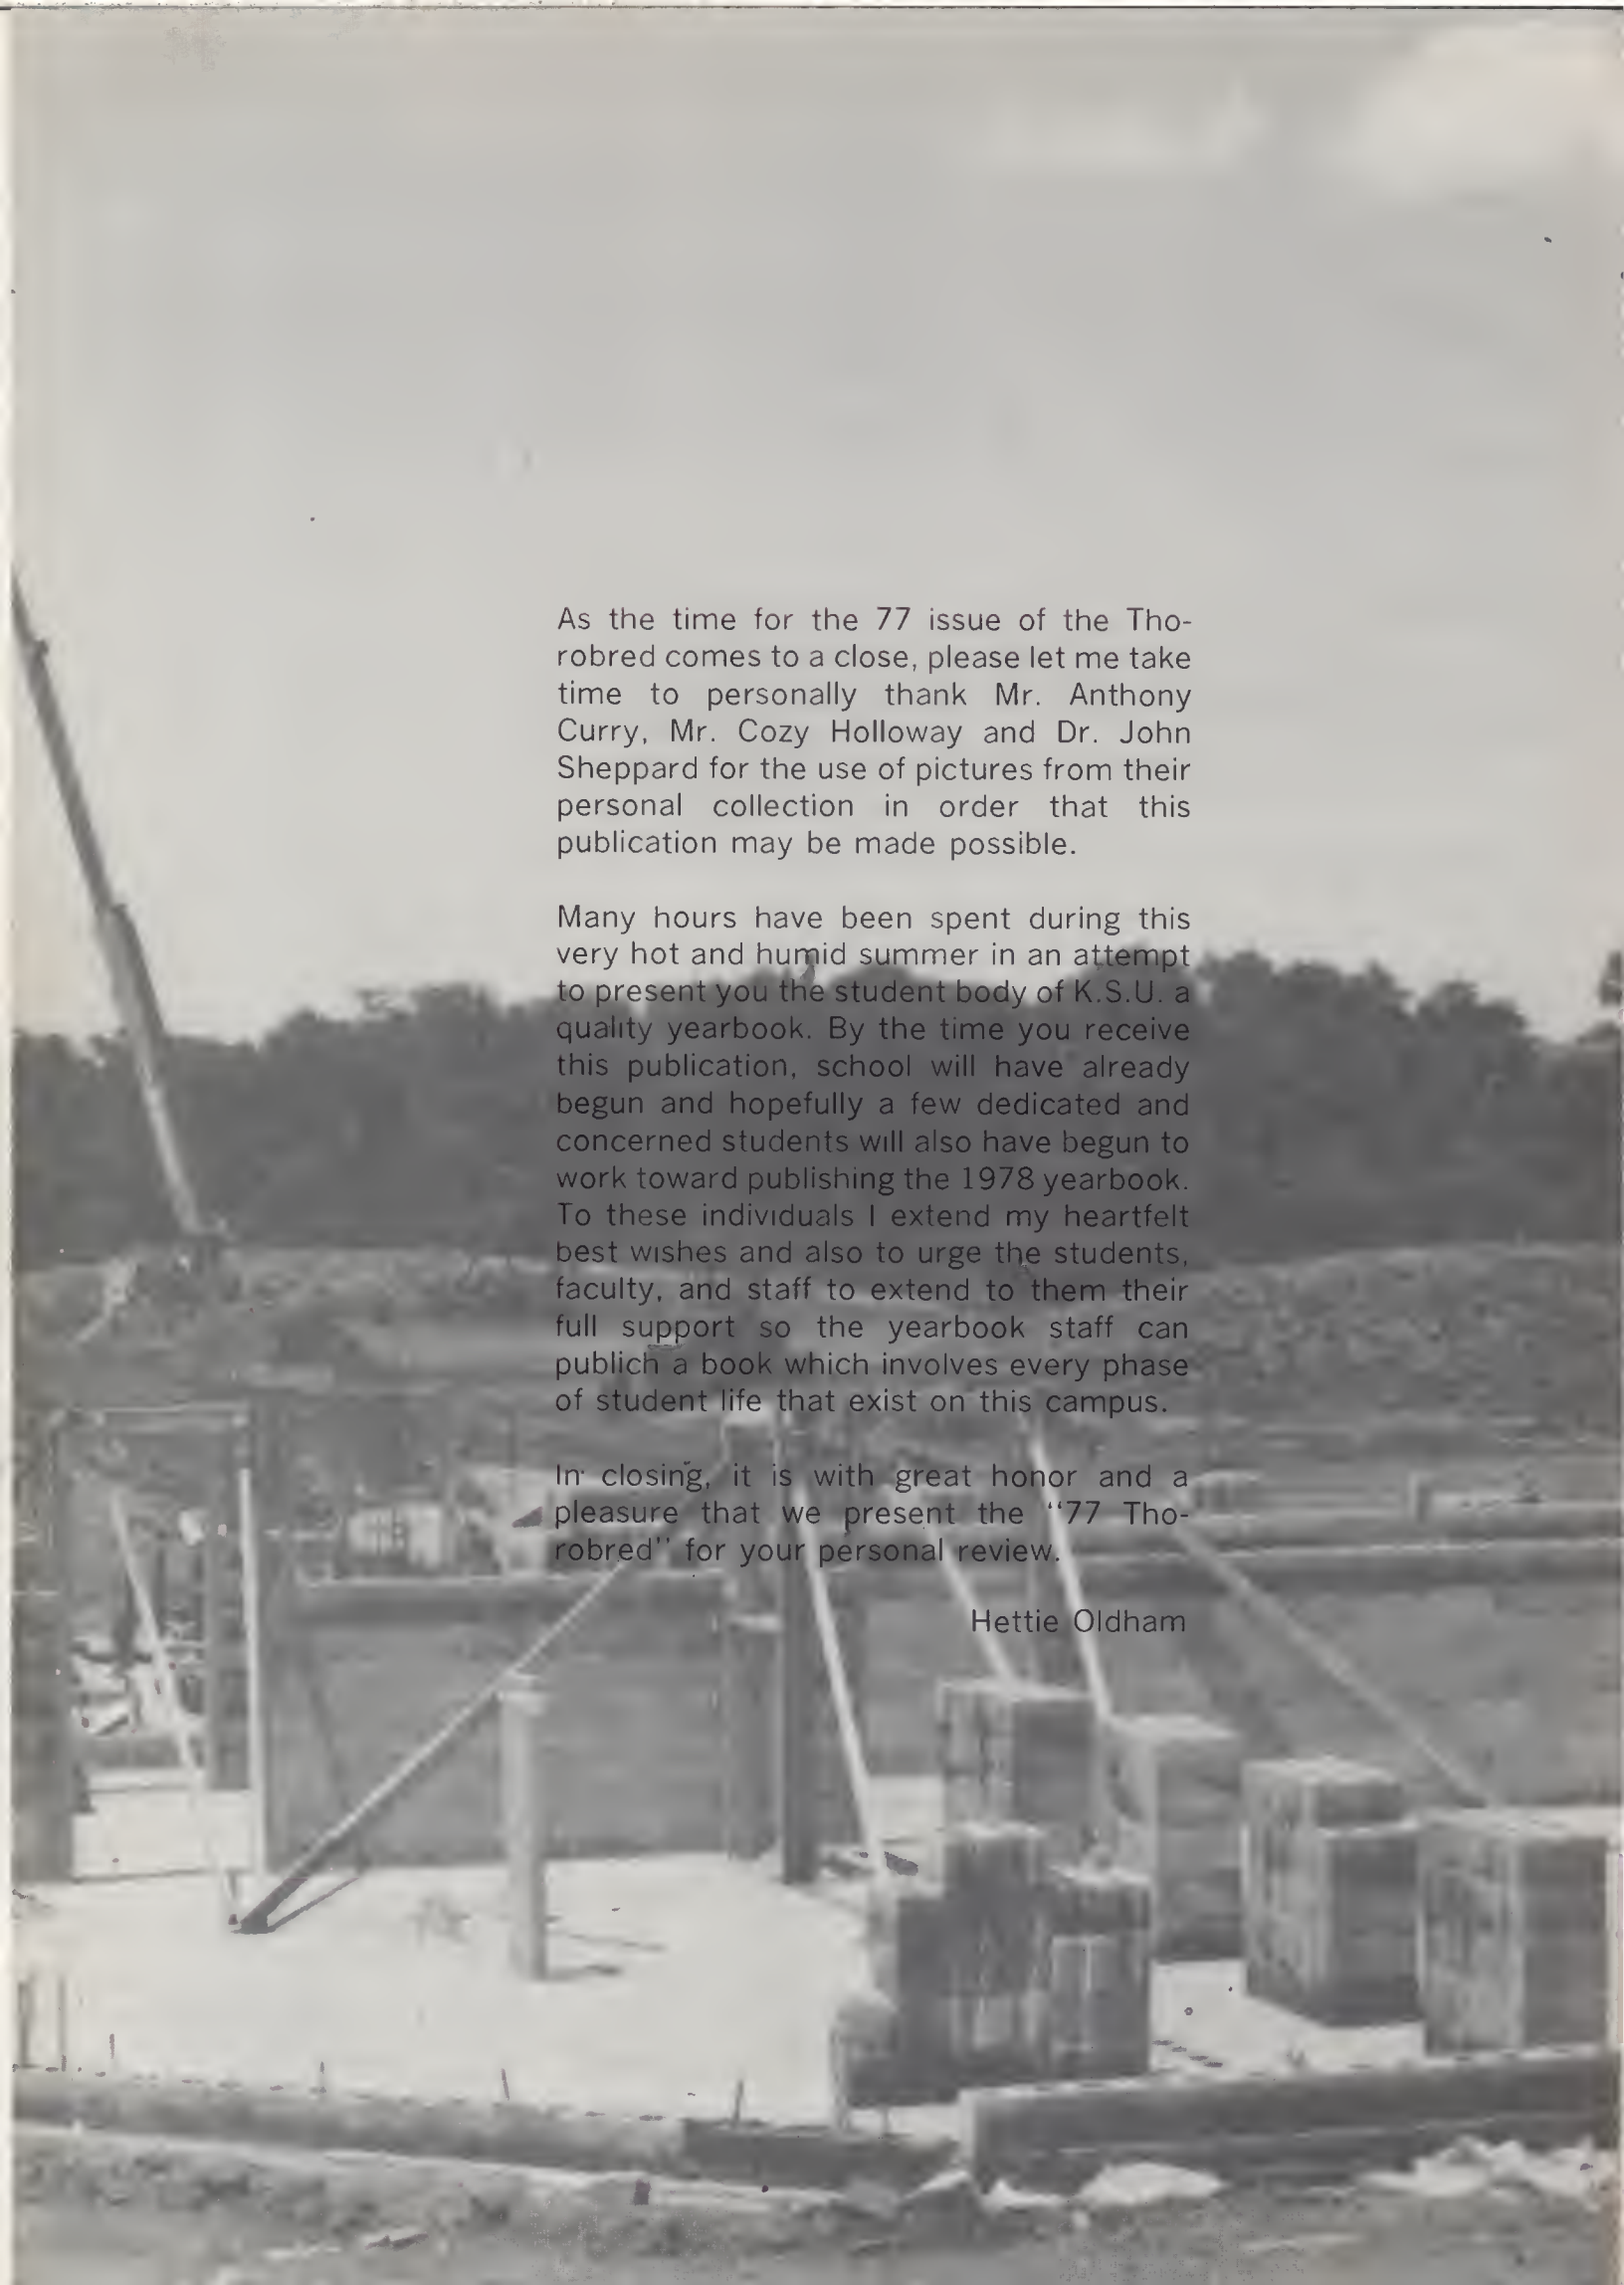

# Homeward Bound

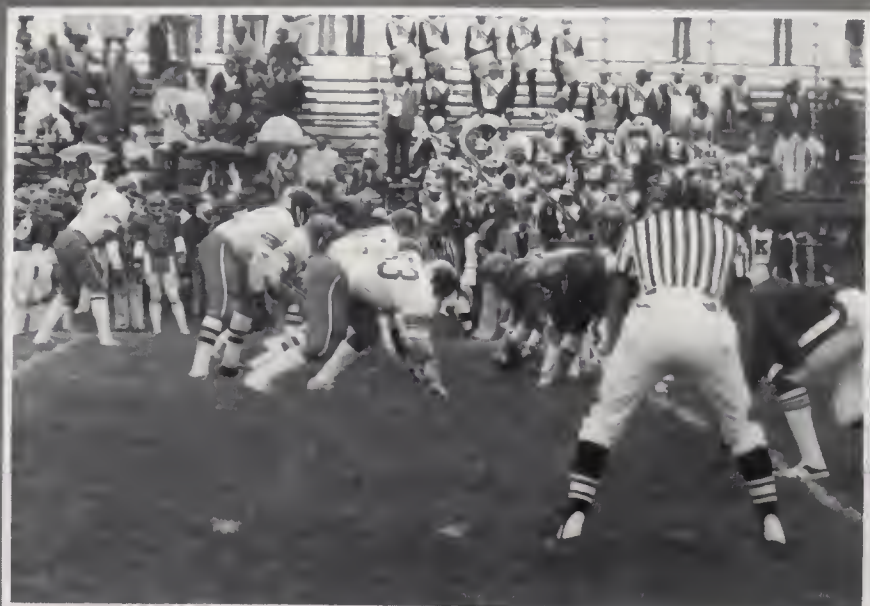

As the time for the 77 issue of the Thorobred comes to a close, please let me take time to personally thank Mr. Anthony Curry, Mr. Cozy Holloway and Dr. John Sheppard for the use of pictures from their personal collection in order that this publication may be made possible.

Many hours have been spent during this very hot and humid summer in an attempt to present you the student body of K.S.U. a quality yearbook. By the time you receive this publication, school will have already begun and hopefully a few dedicated and concerned students will also have begun to work toward publishing the 1978 yearbook. To these individuals I extend my heartfelt best wishes and also to urge the students, faculty, and staff to extend to them their full support so the yearbook staff can publish a book which involves every phase of student life that exist on this campus.

In closing, it is with great honor and a pleasure that we present the "77 Thorobred" for your personal review.
